

Ulverstone High School UNIFORM POLICY

As a School Community we are committed to the wearing of uniform because we believe it shows pride in our school and enhances the image of the school in the wider community and it is cheaper for parents in the long run. We will contact parents if a student is consistently out of uniform.

We feel that these uniform items give students choice while still maintaining the balance of colours. We strongly discourage the wearing of non-uniform windcheaters, polo shirts, track pants or soft shell jackets. Blue or black denim jeans, black tights and hoodies **ARE NOT** part of the school uniform and should not be worn.
